

# The American Board for Certification in Orthotics and Prosthetics, Inc.

## Examination Schedule

### January 1

**New ABC Registered Fitter Eligibility Criteria.** Beginning in 2006, all applicants for the ABC Registered Orthotic and Mastectomy Fitter credential will be required to complete an examination process. Applicants with qualified experience and educational training from approved fitting seminars are encouraged to submit application prior to January 1. Further information is available at [www.abcop.org](http://www.abcop.org)

### January 6

**Deadline for ABC Registered Technician Exam.** The winter 2006 exam will be held on the third weekend of February, 2/18 and 2/19, at the Francis Tuttle Technology Center in Oklahoma City, OK. O&P technicians interested in becoming ABC-Registered Technicians can find applications at [www.abcop.org](http://www.abcop.org).
