

628-E (Women)
728-E (Men)

Sizes: 4.5, 5 - 10.5, 11 - 15

Widths: B, D, 3E/4E, 5E/6E, 10E, 14E

PDAC A5500 Approved

628-E and 728-E are specially designed to accommodate severe bunion/bunionette and edema with built-in foam collar and flex area on medial and lateral sides. The uppers are made of Lycra elastic material to allow more flexibility. Foldable heel counter allows for easier entry.

- * Cut-off flex area on medial/lateral for bunion relief
- * Padded foam collar reduces friction at the ankle
- * Reflexible leather counter to reduce archilles pressure
- * Lycra vamp accommodates Hammer/Crossover toes
