

# INTRODUCING

## Paul Bunion & Pauline Bunionette *Comfort to your foot*

Bunion/Bunionette Flex Area (**Patent Pending**)  
(To accommodate severe bunions/bunionettes  
/hammertoes, etc.)

These leather stretchables provide amazing relief for individuals with **Bunions, Bunionettes, Hammertoes, Corns** and other foot problems. The stretchable vamp ensures the proper fit for hard to fit, super-sensitive feet. Added depth accommodates orthotics and three removable insoles, you are assured the precise fit every time. The leather reinforced upper creates better balance and a more natural walking pattern. The firm heel counter lends stability and the extended bottom encourages hazard free walking.
