

# Discover the DAFO<sup>®</sup> Experience

## Creation Station

Save clinic time!

Ask your patients to deck out their custom DAFOs on the Creation Station before their appointment. Families can easily print out their creations or email them to you. They'll arrive excited about their new braces and you'll save valuable clinic time! Just send them the link to [cascadedafocom.com/creation-station](http://cascadedafocom.com/creation-station).
