

# "When I grow up... I want to be a fireman."

"AJ is my little trooper, from sun up to sun down he can't be stopped. I love to watch him race up hills, jump off the monkey bars or turn on a dime without a second thought. He tells me he wants to be a fireman just like his daddy, and I think he'll make a great fire fighter some day, thanks to College Park. My wife Robin and I are so grateful to College Park because AJ's TruPer™ Feet keep him focused on his life goals instead of life's challenges and allow him limitless possibilities."

— Gordon Digby (AJ's Dad)

*AJ Digby is a very active, bi-lateral, bk amputee who wears College Park TruPer Feet everyday, and while his life aspirations may change over time, his TruPer Feet will be there for him every step of the way.*
