

# TWO GREAT PRODUCTS!

## EASY-OFF LOCK®

Designed to combine the comfort of suction or elevated vacuum suspension systems with the security of a positive locking pin system.

- Vacuum compatible
- One of a kind lever action, good for hand strength issues
- Lightweight and water-resistant
- Easy to fabricate with one-shot lamination
- Excellent for dirty, corrosive environments
- Withstands all activity levels (K1 through K4)

## COYOTE COMPOSITE
