

In Preparation for Our 25th Anniversary

...And with appreciation for your continued patronage; we are going "Retro" with our pricing. Every month preceeding our 25th anniversary we will be offering a "Throw Back" deal; Featuring some of our customer favorites and Grace trademarked products. They will only be offered for a limited time, so act quickly!

Look for details in our monthly newsletter!

Grace Prosthetic Fabrication, Inc.
We are one of the country's leading specialists in Prosthetic Central Fabrication. With over 40 years of fabrication experience, our highly-trained craftsmen utilize state-of-the-art technology to cater to your patient's needs by custom fabrication of prosthetic devices that exceed expectations in both performance and workmanship. We believe personalized patient care and commitment to quality fabrication are equally important when producing the finest prosthetic appliances.
Setting standards for the future, we spend countless hours in research and development in order to improve our products. We work with the most innovative component manufacturers to bring you a superior product of the highest quality and integrity.
