

Proven Advantages of C-Leg®

Numerous clinical studies demonstrate the advantages your patients get from the C-Leg microprocessor-controlled knee. C-Leg helps reduce falls, improves confidence and requires less energy for daily activities. To learn more about the clinically proven advantages of C-Leg Technology, go to www.ottobockus.com in the U.S. (800.328.4058) or www.ottobock.ca in Canada (800.665.3327).
