The Complete Solution for Below-Knee Residual Limb Protection and Care.

Comfort.

Performance.

Freedom.

Fred Luttgens, mountain bike racer. Both Fred and the DuraGel Liner are still going strong after 8 months of use.

DuraGel™ Mineral Oil Gel Liner System

Available in both pin and cushion models, DuraGel™ offers an unparalleled combination of durability, comfort, and skin protection.

- **NEW** nylon composite fabric provides extreme abrasion resistance and superior gel bond
- **NEW** Gel formulation will not tear, delaminate, or thin out with stress, maintaining skin care and overall patient comfort
- **NEW** design for activity levels K1-K4
- Available in sizes Medium through X-Large
- Liner is easy to wash and maintain
- **NEW** single-seam design
- Unmatched patient comfort and skin protection
- **Retrofits to Explorer and Alpha® sockets**

Come see the DuraGel™ System (and Fred!) in action at booth #300 at AOPA® 2005.
