

Relief is in sight!

SPS can now provide Custom Accommodative Inserts and Foot Orthoses through its SureFit Division. Bi-Laminate or Tri-Laminate inserts and Toe Fillers are available in a wide range of materials for better shock absorbency and improved biomechanical performance.

We have shown but a few of the many custom accommodations you may specify to meet your patient's needs.

Call your SPS Sales Manager today to learn more about all SureFit can do for you, your patients and your practice!
