

renegade & renegade_{LP}

Only the **renegade™** and the **renegade_{LP}™** manufactured by Freedom Innovations, can offer the uncompromising benefits of the unique **Z - shock** -- a 100% graphite carbon fiber shock absorber fabricated in an ultra lightweight*, maintenance free design that produces unmatched tibial progression and the highest energy return in a performance foot.

Now for a limited time** SPS will provide a **FREE SUPER KNIFE** with the purchase of every **renegade™** or **renegade_{LP}™** prosthetic foot. This offer applies to all SPS purchase orders for a **renegade™** or **renegade_{LP}™** placed between **May 15, 2005 and August 15, 2005.**

Made from top quality aircraft grade stainless steel, Super Knife easily opens with your thumb.

Super Knife is compact measuring only 3½" long and features an easy access belt clip.
